Staying Water Safe at Rivers and Lakes

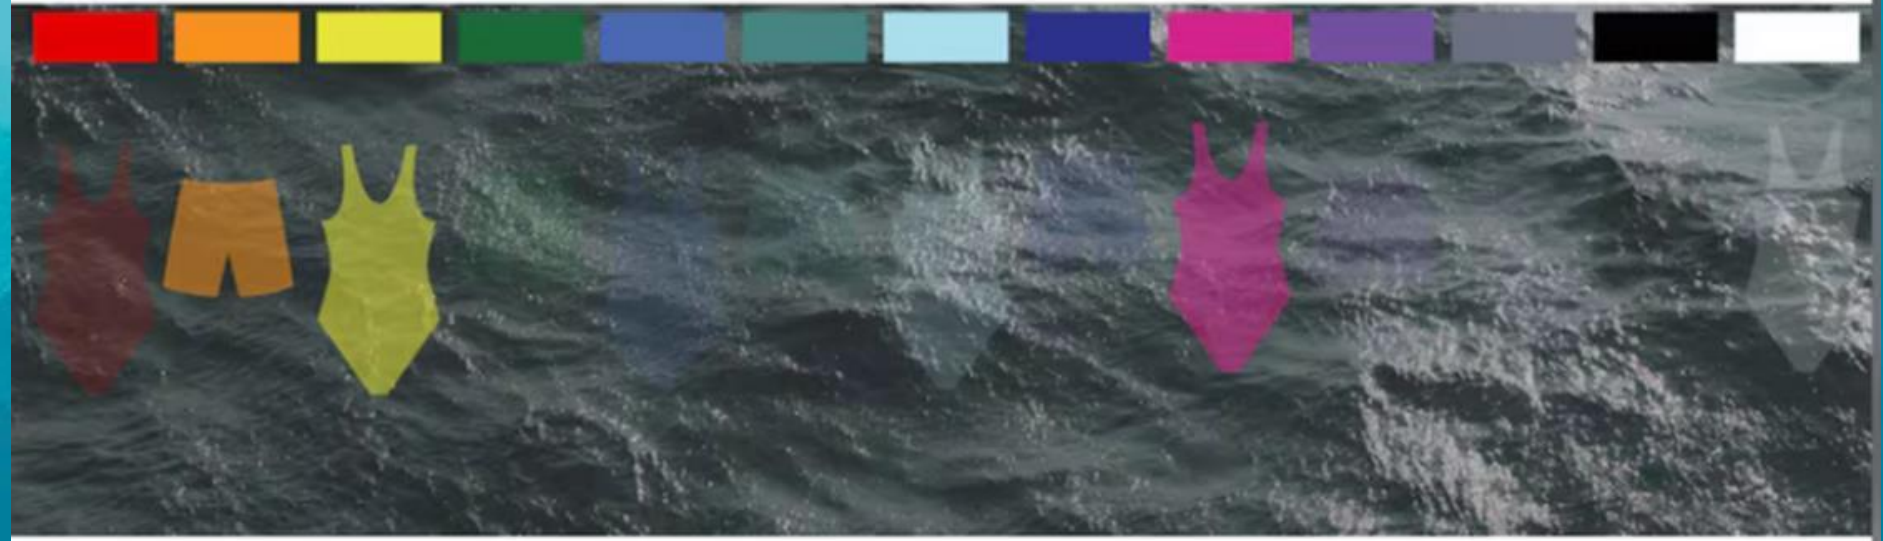

ringbuoys.ie

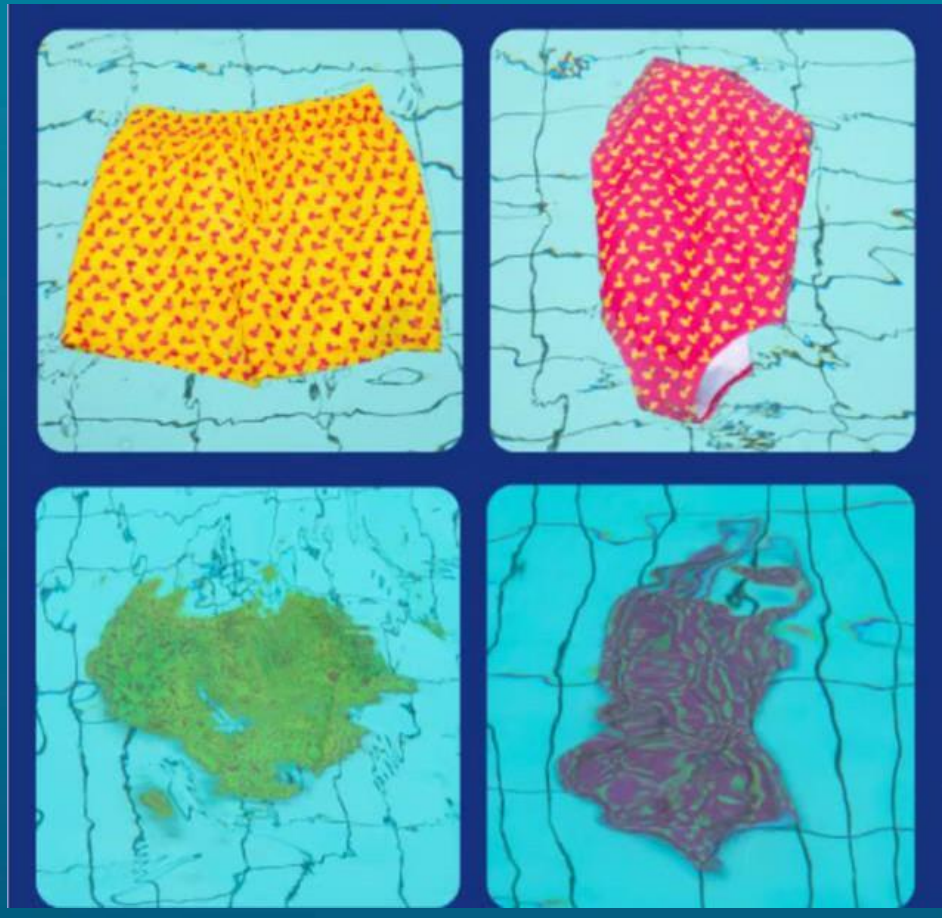

ringbuoys.ie

In the Lake

In the Pool

If you get into trouble...

HELP

Float on your back,
in the shape of a star

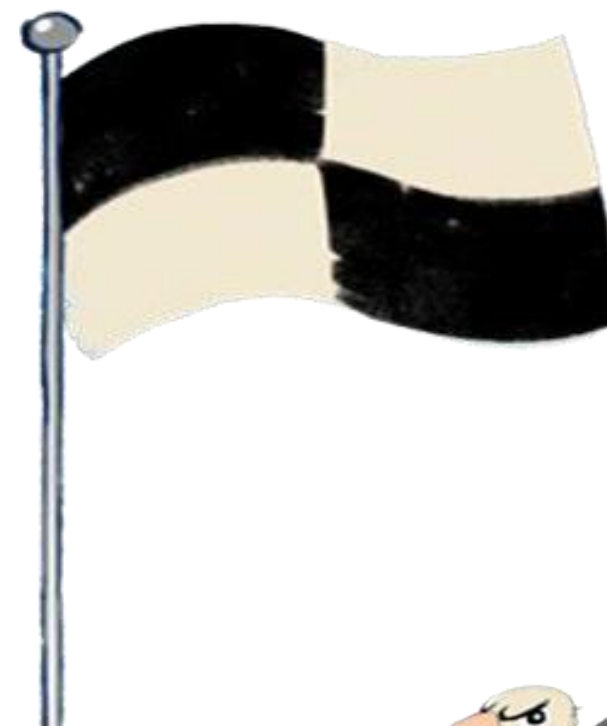

Call out for help

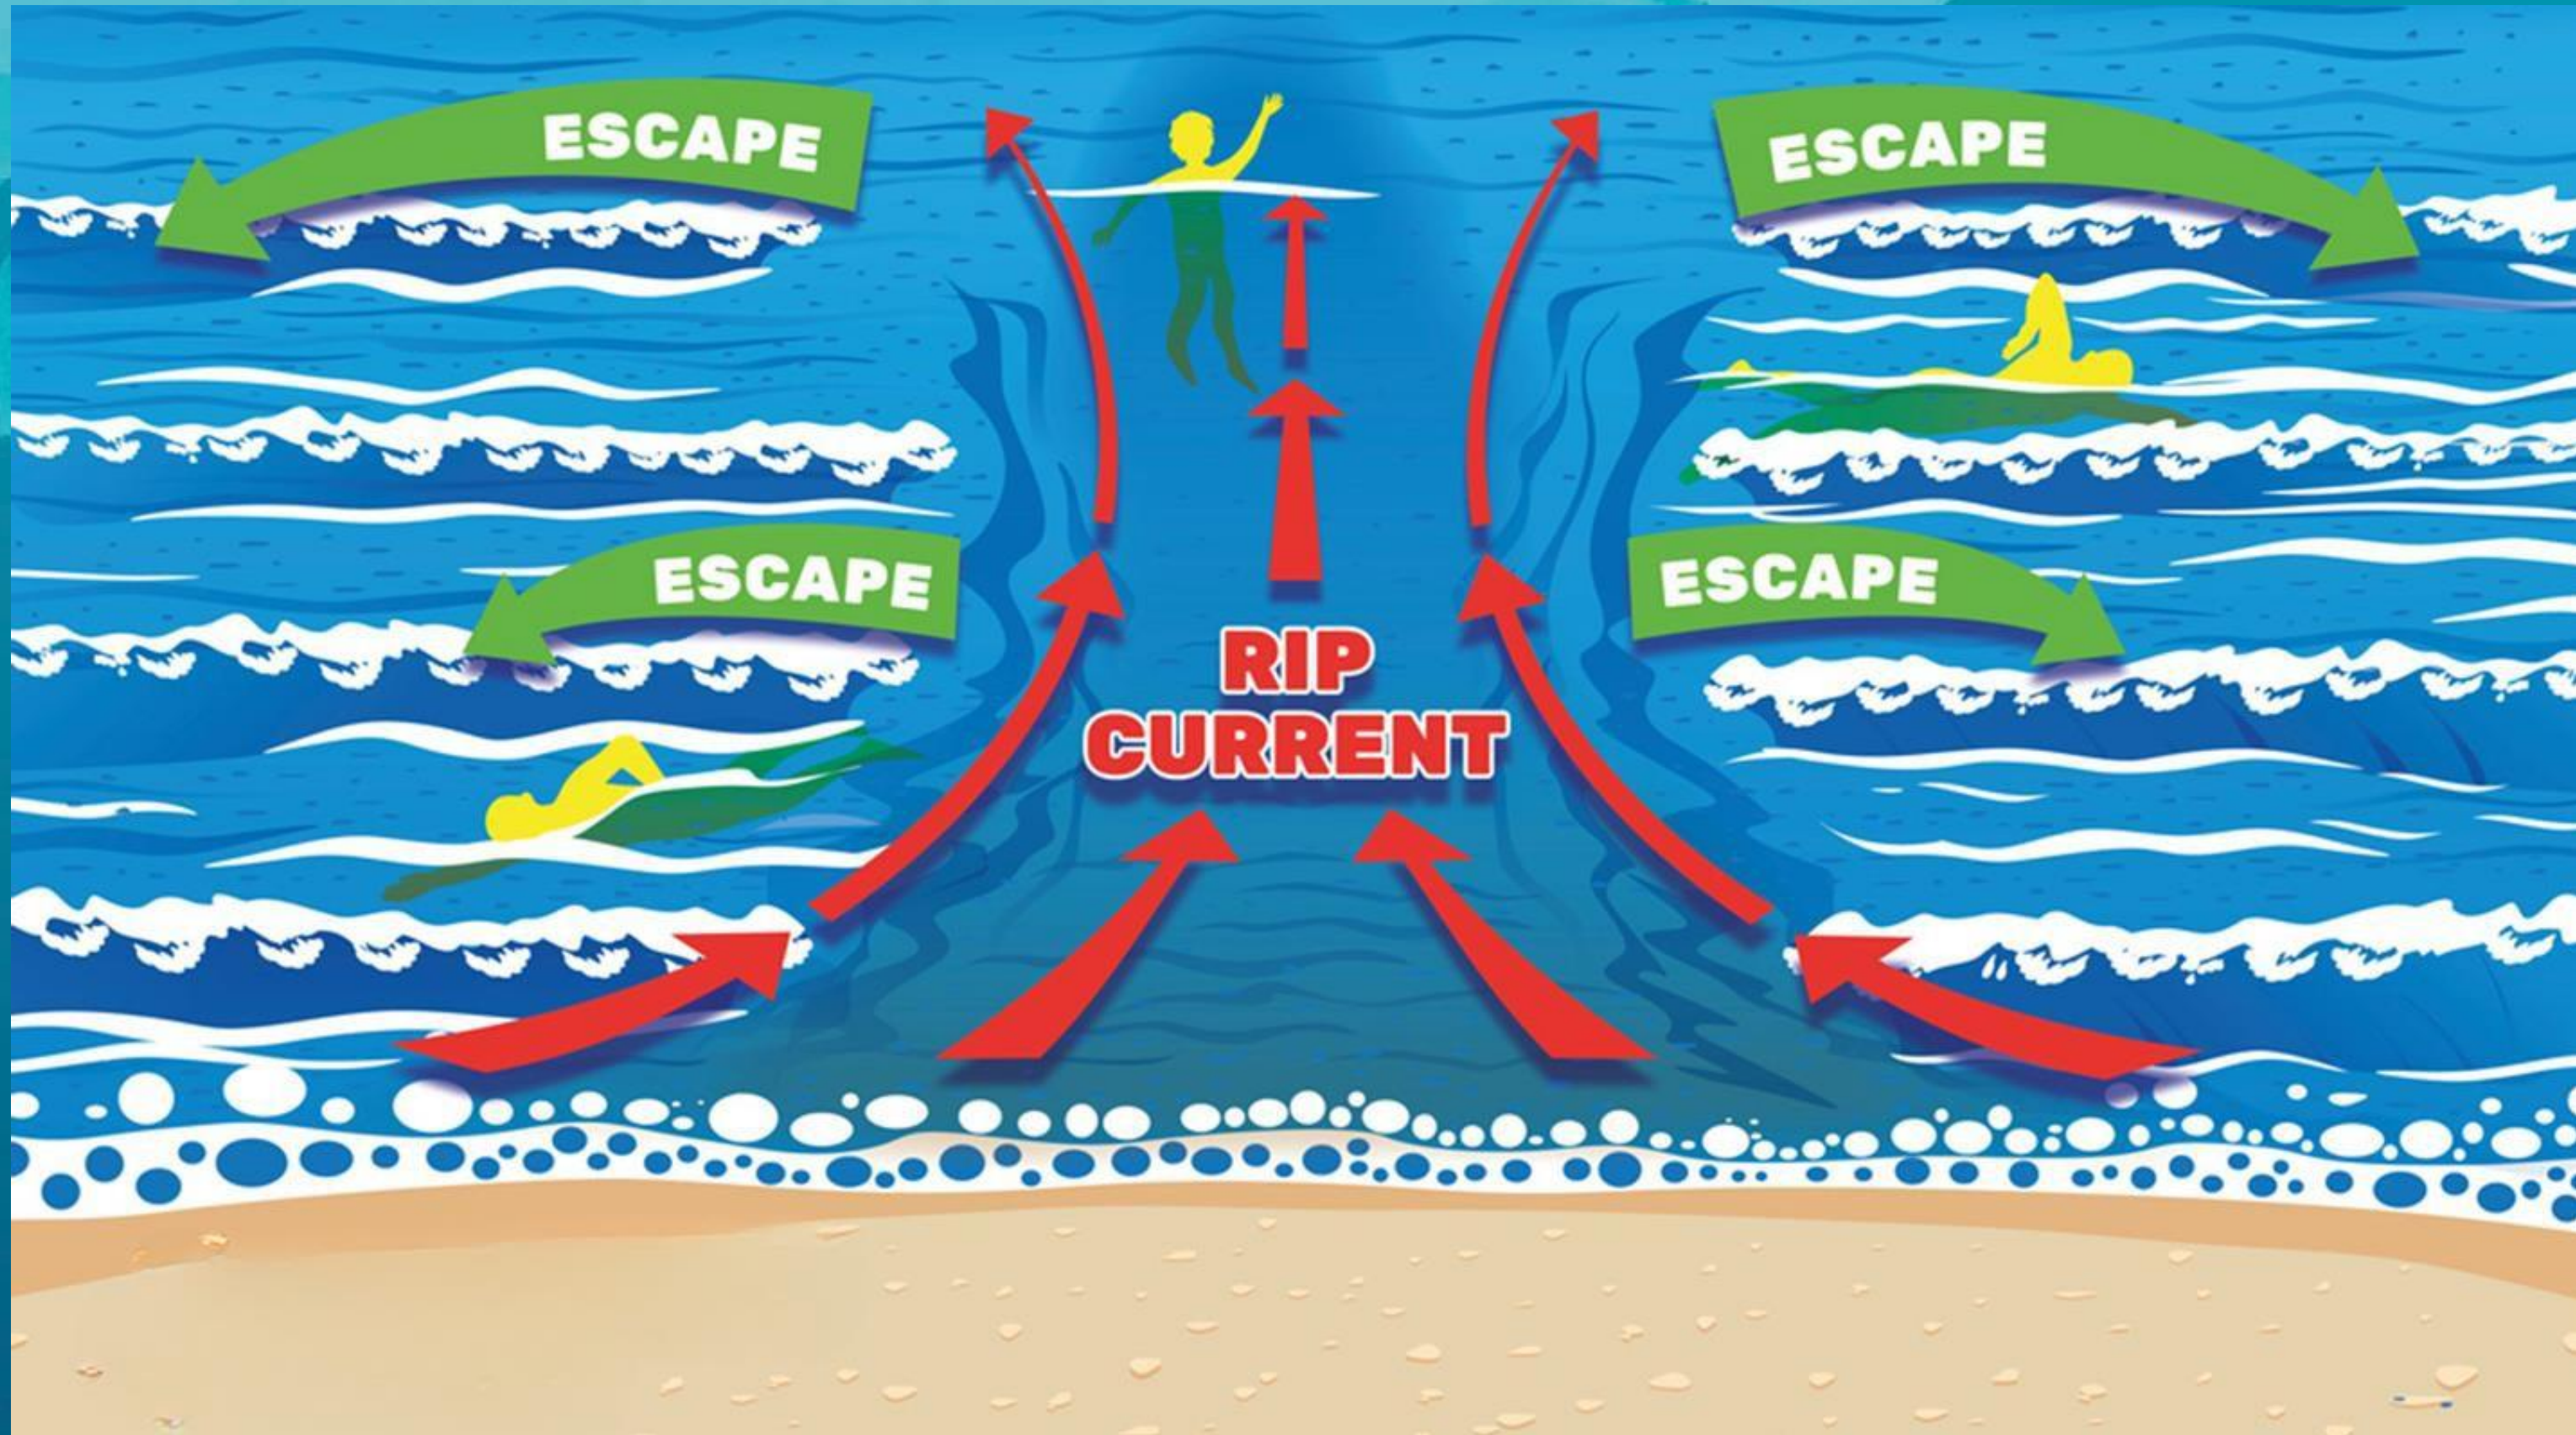

If you can, raise your hand
in a fist and raise it above
your head

Staying Water Safe at the Beach

If you see someone in trouble...

Shout out loud for help nearby
Call 112 and Ask for the
Coastguard

Four ways we can help

- **Use your Voice**
- **Use a Ringbuoy**
- **Use a Rope**
- **Use something that floats**

And most importantly, **never** enter the water yourself to help

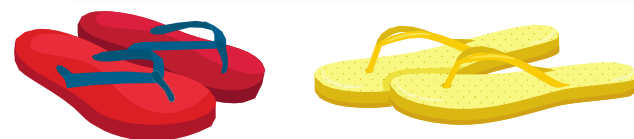

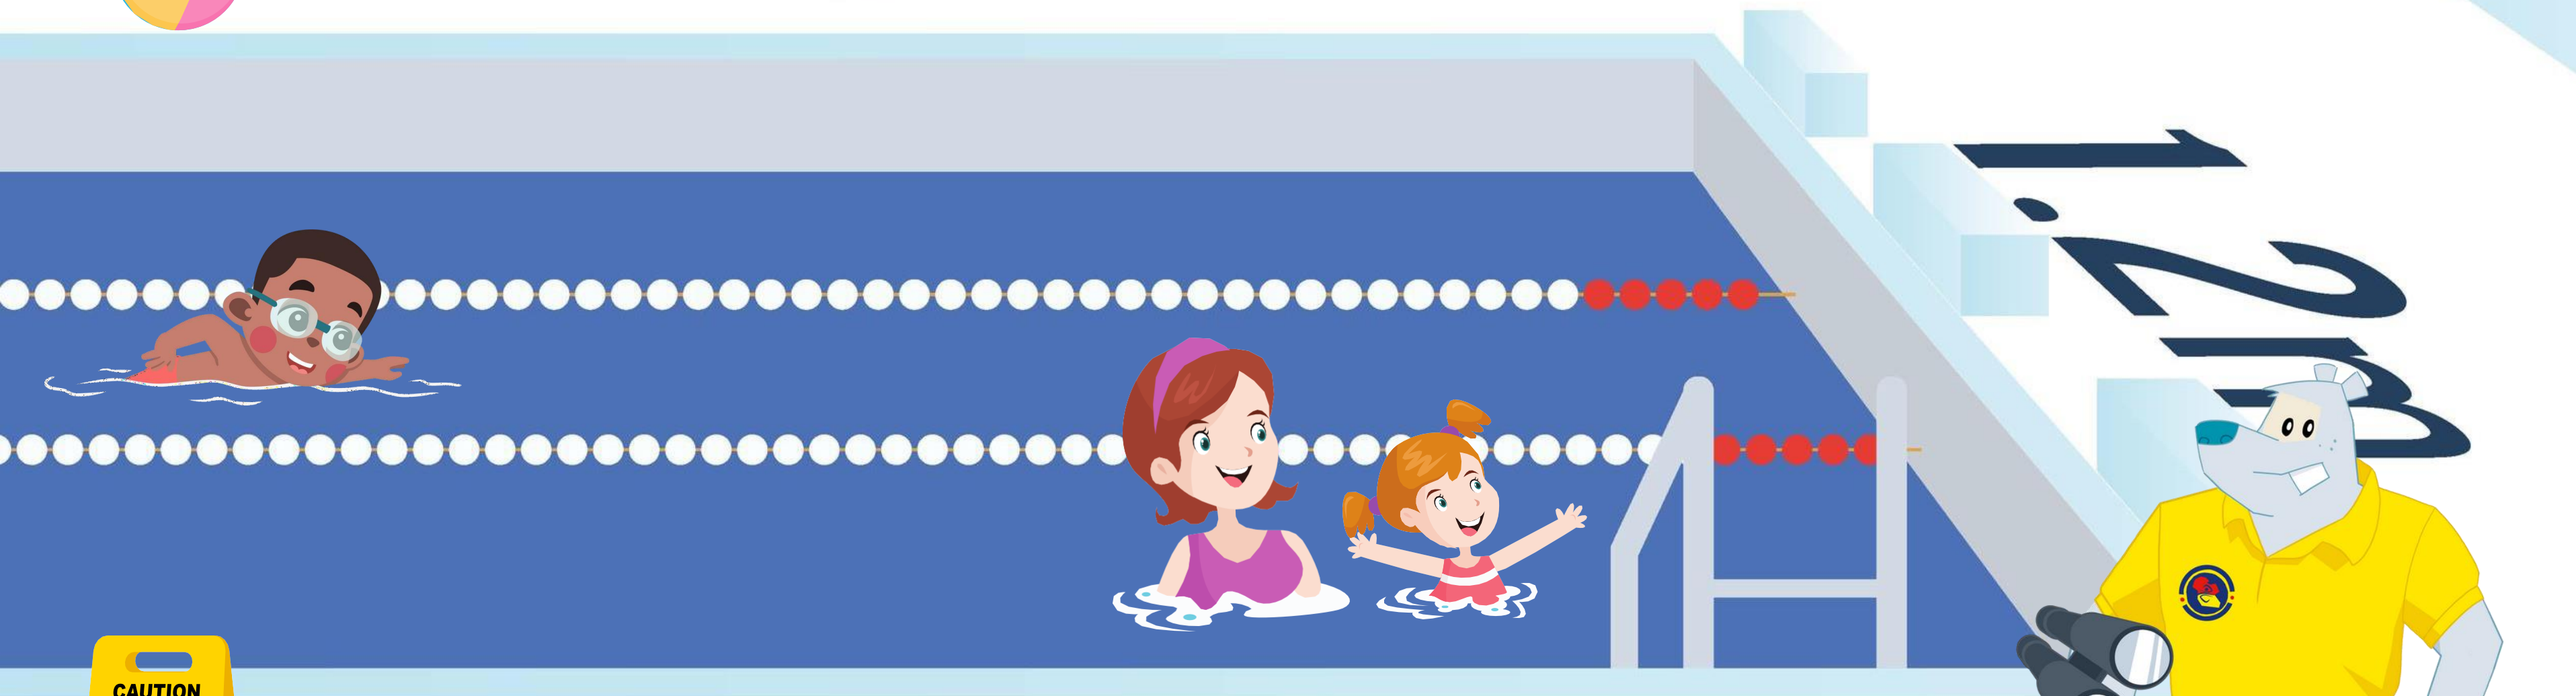

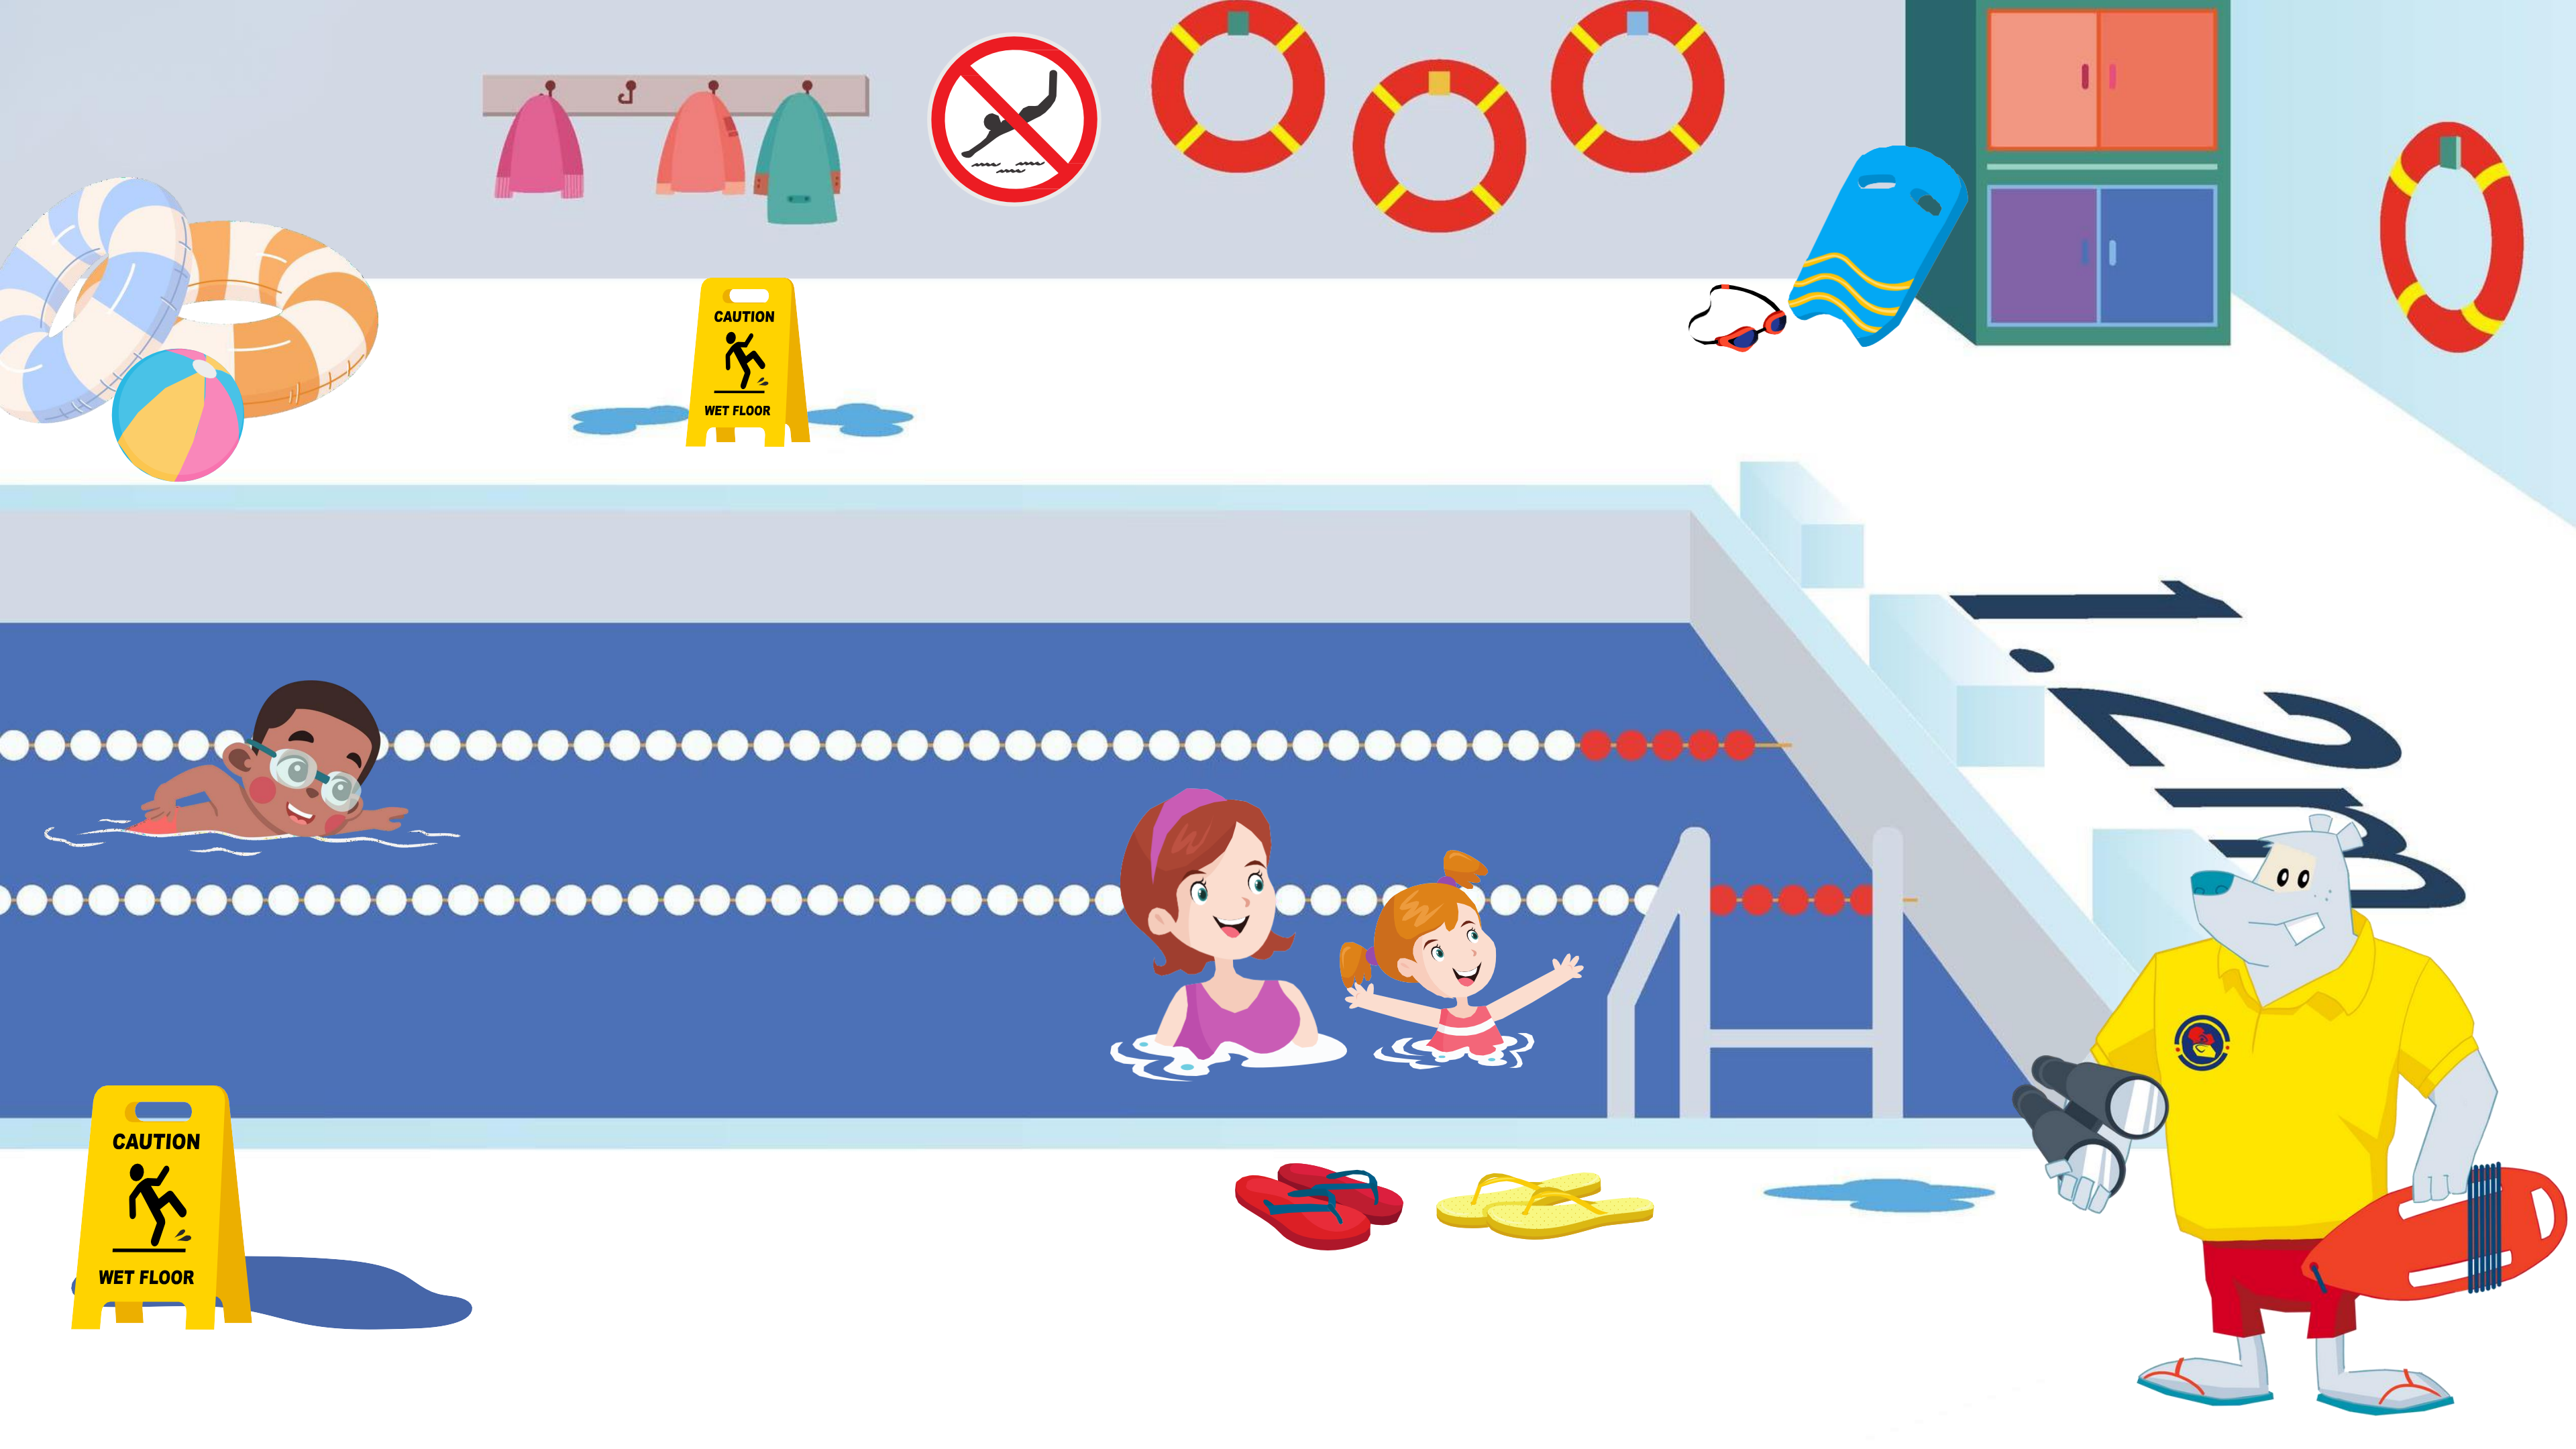

Staying Water Safe on a Boat

Staying Water Safe at the Swimming Pool

REMEMBER!

S.A.F.E

Float like a Star

Always wear a lifejacket

**Swim with others, at lifeguarded
waterways or known bathing areas**
